Re: Sassower v. Commission on Judicial Conduct
Index #95-109141

Dear Mr. Williams:

Inasmuch as you and your client were personally served with my Order to Show Cause in the above matter, pursuant to the direction contained therein, and same was, nonetheless, made returnable by the Court twelve days later, to wit, on Tuesday, May 23, 1995 -- with the TRO requested by me stricken out, it is expected that you will comply with CPLR §2214(b) by serving your answering papers at least two days before said return date.

Please be advised that I intend to be present for oral argument of the motion and that same is scheduled before Justice Herman Cahn in Room 351 at 2:00 p.m. on May 23, 1995.

Since your client has had more than ample time to comply with paragraph "TWENTY-FIRST" of my Verified Petition, I specifically request that the original documents constituting the record before the Commission in the nine (9) complaints heretofore filed by me will be produced for the Court on the May 23rd return date.

Please let me know promptly if you do not intend to voluntarily produce the aforesaid documentary record, as requested.

Very truly yours,

DORIS L. SASSOWER

DLS/er

cc: Hon. Herman Cahn
