Re: Castracan v. Colavita - Index No. 6056/90

Dear Mr. Novack:

We have received a copy of the November 2, 1990 letter of Doris L. Sassower, Esq. requesting additional time in which to file a reply brief in the above matter.

We respectfully request that petitioner's application be denied. This entire lawsuit is nothing more than a harassing tactic and should be concluded within the time established by the October 30, 1990 order of this court. Inasmuch as reply briefs are limited to 15 pages, it should not be an onerous burden on this petitioner, who produced a 31-page appellate brief in 24 hours, to file a 15-page reply brief in ten days.

Respectfully,

Sanford S. Dranoff
