Dear Ms. Grant:

Your May 22nd letter advised us that our May 18th letter, addressed to Senate Majority Leader Mitchell, was "forwarded to his office". We presume this was pursuant to our May 18th fax-request (Ex. "A")

Do the Committee files reflect--or do you have any personal recollection--whether our May 18th letter was transmitted with a covermemo? Do you know if the letter was forwarded for the Senate Majority Leader's personal attention--or to the attention of a particular member of his staff?

As shown from our June 2nd fax (Ex. "B"), we also requested that our June 2nd letter--similarly addressed to Senate Majority Leader Mitchell--be transmitted to him. Once again, do the Committee files reflect--or do you have any personal recollection--whether our second letter to the Senate Majority Leader was transmitted with a covermemo? Do you know if the June 2nd letter was forwarded to his personal attention--or to the attention of a particular member of his staff?

Kindly also verify whether there has been any written or oral communication between Senate Majority Leader Mitchell's office and the Senate Judiciary Committee as to the subject of our May 18th and June 2nd letters, to wit, our critique?

Ms. Harriet Grant

MESSAGE:

To the Senate Judiciary Committee Staff:

Since no fax number is publicly available for Senate Majority Leader George Mitchell, we ask that you be good enough to transmit our May 18, 1992 letter for Senator Mitchell's immediate attention.

Because of the serious matters therein set forth, we would appreciate your photocopying this letter for Chairman Biden and members of the Judiciary Committee for delivery today. We have, however, already mailed "hard-copies" to each of them--which should be arriving shortly.

Please consider our enclosed letter to Senator Mitchell, as well as our critique of the public portion of Mr. O'Rourke's Senate Judiciary Committee questionnaire as "public" documents. We do.

Thank you very much.
