John Trasvina, Counsel to Senator Smith
Washington, DC.

Dear Mr Trasvina —

As a follow-up to our conversation
earlier this week, I have dropped
off a copy of our critique for
your review.

Perhaps after you examine it, you'll
be willing to schedule an appointment
with us relative to the
appalling failure of the screening
process documented by the critique.

Yours for a quality judiciary,
Elena Ruth Schneider
Coordinator, of Judicial
Committee

[since we are a
completely unfunded citizens' group
we would appreciate you returning
the critique to us. Feel free to make
copies. The original is, of course,
on file at the Senate Judiciary Committee]
