Dear Mr. Decker,

Thank you for your invitation. However, I would first like to give the news side of The Washington Times -- and, in particular, National Politics Editor David Sands, to whom I briefly spoke, the opportunity to write about the behind-the-scenes misfeasance and nonfeasance of both the Democratic & Republican sides of the Senate Judiciary Committee & Senate leadership with respect to federal judicial nominations - concealed by their rhetoric.

I will await his notification.

Thank you, again.
