Dear Ms. Sassower:

At your request (letter dated October 11, 2000), enclosed is the questionnaire the Commission used in the year 2000, which will enable you to determine the question you ask. Also enclosed is a form letter that was used in sending the questionnaires to prospective candidates, and the Commission's most recent brochure. Also enclosed is a hard copy of the report to the Governor as requested in your letter of October 6, 2000.

With regard to your second letter to me dated October 11, 2000, I thought we had, but in any event, we will supply you with all of the past reports to the Governor that we can find. As the Commission has been in operation for over twenty years, it will take some time to find them, and I don't know if we will be able to find all of them. I am reasonably certain that we have provided many of them to you in the past, but we will attempt to find them all.

Very truly yours,

  
Stuart A. Summit, Counsel
