Will call you on Monday morning, if I don't hear from you before then.

RE: Tuesday, March 6, 2007 Confirmation Hearing -- Chief Judge Judith Kaye

Apparently, your e-mail does not have the capacity to receive an attached copy of CJA's narrative statement in support of oral testimony in opposition to Chief Judge Kaye's confirmation. My yesterday's e-mail to you attaching same came back as undeliverable.

CJA's narrative statement, whose last paragraph additionally requests a concurrent legislative resolution for Chief Judge Kaye's removal/impeachment, in the event of Senate confirmation, has already been sent to the Senate Judiciary Committee. **It is posted on our website, www.judgewatch.org, most conveniently accessible via the top panel "Latest News", which -- under the heading "The Corruption of 'Merit Selection' to New York's Highest State Court" -- links to "Judith S. Kaye - 2007".**

Will call you on Monday morning, if I don't hear from you before then.

Thank you.
