Subject: Robert Smith's Confirmation to the NY Court of Appeals

Following up my four unreturned voice mail messages left at your Capitol Bureau office (1/13, 1/14/ 1/16, 1/21: 518-434-6365), culminating in my very brief conversation with you a short time ago upon calling your cellphone (518-542-6050), here is, as you requested, my e-mail address: judgewatchers@aol.com <<mailto:judgewatchers@aol.com>> .

Kindly e-mail me your news story on Robert Smith's January 12th confirmation to the NY Court of Appeals -- as I have been unable to locate it. If you have written any follow-up stories or columns -- or if there has been other coverage by the Buffalo News, I would appreciate your sending them as well.

Thank you.
