RE: Transcript of March 29, 2017 oral argument before Judge Hartman:
Plaintiffs' Order to Show Cause for Preliminary Injunction, with TRO
Center for Judicial Accountability, et al. v. Cuomo, et al.
Albany Co. #5122-16 – Citizen-Taxpayer Action
RJI #01-16-122174

Enclosed is a postal order for \$132. It is being paid to secure your immediate e-mailing to me of the transcript of the March 29th oral argument before Judge Hartman of plaintiffs' order to show cause for preliminary injunction, with TRO, in the absence, as yet, of appropriate supervisory oversight of your unprofessional, prejudicial conduct. As you know from our chain of e-mail, commencing on March 30th – and constituting my complaint – my e-mail address is elena@judgewatch.org.

No thanks are due you, other than for furnishing further proof of why court reporters should be eliminated, in favor of audio/video tapes that litigants can expeditiously and immediately purchase – and for the opportunity you have given me to document how the administrative side of the Judiciary deals with misconduct such as yours.

You may be sure I will put this evidence to good use – beyond its posting on CJA's website, www.judgewatch.org, on the webpage devoted to correspondence pertaining to the March 29th order to show cause: <http://www.judgewatch.org/web-pages/searching-nys/budget/citizen-taxpayer-action/2016/9-2-16-osc-complaint/correspondence-3-29-17-osc.htm>.
