Re: *Center for Judicial Accountability, Inc. v. Cuomo*  
AD No. 521534

Dear Ms. Sassower:

I am writing in response to your voice-mail message requesting that we discuss your request for a settlement conference. Respondents' position on this issue is fully set forth in my September 3, 2015 affirmation opposing that request but consenting to your request for an extension of time to perfect the appeal. Both sides' positions are currently before the Court for resolution. In light of respondents' position, further discussions on this matter would not be productive.

Very truly yours,

VICTOR PALADINO  
Assistant Solicitor General
