NOTICE OF LAWSUIT -- Your Rigging of the 2025 NYC Mayoral Election & Other Violations of Your First Amendment Responsibilities, Journalistic Codes, & Legal Obligations

On September 7th, at 9:15 am, I sent you a fully-documented News Tip, via this webportal, that NY's press have been rigging Zohran Mamdani's election as NYC mayor -- and requested that it be furnished to your investigative journalists and show hosts, such as Greta Van Susteren, Rob Schmidt, Rob Finnerty, Greg Kelly, Chris Salcedo, Carl Higbee, the Right Squad, etc. Here's the link:
<https://www.judgewatch.org/press-nys/2025/sept/9-7-25-message-to-newsmax.pdf>.

I received no response and have since commenced a federal lawsuit against 25 press defendants for their fraudulent, election-rigging journalism -- and have additionally notified federal authorities as to what has been going on. The webpage on which this is posted is <https://www.judgewatch.org/web-pages/federal-lawsuits/cja-v-lca-etc.htm>.

As stated in the caption of the October 8th lawsuit complaint, the 25 defendants are "representative of other New York & national media".

This is to give you NOTICE that prior to serving the October 8th verified complaint, which I have not yet done, I am contemplating amending it to include additional "representative" defendants, such as Newsmax. Based on your post-September 7th reporting and commentary about the 2025 NYC mayoral election, can you give me any reason why I should not do so?

Please have your legal counsel promptly contact me about this so that I may be guided accordingly -- and, in any event, please furnish me with his/her name, e-mail address, and phone number.

I have tried to reach you by phone, unsuccessfully. In addition to your "Main Office" # 561-686-1165, I have called your Manhattan broadcast studio at #212-551-6999, also without success.

Thank you.
