Thank you both for your assistance earlier today when I called to inquire about obtaining Second Circuit Court of Appeals records pertaining to my beloved father, George Sassower, Esq.

For immediate purposes, I am interested in the Second Circuit's proceedings with respect to ***Raffe v. Citibank, 84-Civ-0305 (EDNY)***.

The EDNY judge was Eugene Nickerson, who dismissed the January 20, 1985 verified complaint my father had filed by an unreported August 1, 1984 memorandum & order – as to which my father filed an August 10, 1984 **mandamus petition in the Second Circuit -- #84-3061**. I need that docket sheet – and the Second Circuit's decision thereon, which I do not have.

My father's appeal of the August 1, 1984 memorandum & order was docketed as **#84-7737**. I also need that docket sheet – and the Second Circuit's January 22, 1985 decision thereon, which I do not have. Googling, I found a [Second Circuit January 22, 1985 affirmance – 755 F.2d 914](#) -- but no decision. Is that possible?

My father thereafter perfected two more appeals arising from Judge Nickerson's August 1, 1984 memorandum & order, the first from his February 22, 1985 Judgment imposing counsel fees, docketed as **#85-7251**, and the second from his June 7, 1985 contempt order, docketed as **#85-7471**. The Second Circuit appeal panel of Judges Feinberg, Kaufman, and Meskill decided these two separate appeals by an unreported September 13, 1985 decision – and I need the docket sheets for each. Assumedly, these would also show further activity – such as [my father's January 19, 1986 motion, which Judges Feinberg, Kaufman, and Meskill denied, without reasons](#).

Again, thank you so very much.
