Thank you for contacting the U.S. Attorney's Office for the Eastern District of Virginia. If this is a matter we can address, your message will be relayed to the appropriate person for review. Should we require additional information, you will be contacted.

If you are reporting a crime, please contact the appropriate law enforcement investigative agency. The U.S. Attorney's Office does not initiate the investigation of criminal cases; we prosecute cases presented by investigative agencies (e.g., the local police department, the FBI, and/or other law enforcement agencies).

If you have a concern with a civil matter, you may wish to consult an attorney. Please note that the U.S. Attorney's Office does not accept service of process by email. Please refer to Federal Rule of Civil Procedure 4(i) for more information about service.

If you are a news or entertainment media representative, please contact our press inquiries address: usavae.press@usdoj.gov.
