Subject: **AGAIN -- Empirical Evidence for Your Scholarship, Plus Request for Amicus Curiae -- Federal Lawsuit Pursuant to the Guarantee Clause, Arising from the Corruption of NYS' Legislature**

TO: [NEW YORK UNIVERSITY LAW SCHOOL PROFESSOR JEREMY WALDRON](#)

How disappointing to have received no response from you or your assistant to my below December 3rd e-mail. **Is it not germane to your scholarship and teaching?**

By way of update, here linked are the [October 29, 2025 verified amended complaint, signed by CJA's counsel on January 5, 2026 and refiled](#) and my [December 19, 2025 affidavit demonstrating subject matter jurisdiction](#), highlighting the unprecedented manner in which the district court has proceeded in this summary judgement case arising from the corruption of the New York State Legislature, destroying constitutional, lawful state governance and involving the Legislature's *own* budget and the legislators' *own* salaries, unreported by the press.

Please confirm that this lawsuit will be part of your scholarship and teaching – and, if not, the reason and your recommendations of other scholars for whom it would be relevant.

Thank you.

Subject: Empirical Evidence for Your Scholarship, Plus Request for Amicus Curiae & Counsel Assistance -- Federal Lawsuit Pursuant to the Guarantee Clause, Arising from the Corruption of NYS' Legislature

TO: [NEW YORK UNIVERSITY LAW SCHOOL PROFESSOR JEREMY WALDRON](#)

I am co-founder and director of the non-partisan, nonprofit citizens' organization [Center for Judicial Accountability, Inc. \(CJA\)](#) and, for years, have documented and sued New York's Legislature for its corruption, explicitly asserting that it does not operate at a constitutional level, remotely.

[Fordham University Law School Professor Ethan Leib](#)'s 2002 law review article "[Redeeming the Welshed Guarantee: A Scheme for Achieving Justiciability](#)" focally discusses (pp. 145, 149, 161, 173-178) your 1999 book [The Dignity of Legislation](#) – and it plainly appears, including from the book's title, that you and Professor Leib were unaware of the situation pertaining to the New York State Legislature, where then, as now, there is NO deliberative process underlying its legislation, nor discharge of oversight responsibilities in any legitimate fashion. This parenthetically includes constitutional amendments.

This state of affairs, which the press has covered up for decades, colluding in the destruction of constitutional, lawful state governance by all three of NYS' government branches and rigging NY's elections, underlies a [major federal lawsuit](#) that CJA and I have brought, pursuant to the Guarantee Clause, on our own behalf and "*on behalf of the People of the State of New York & the Public Interest*", against [The New York Times](#) and 33 other press defendants.

Below, with the above-attached, is my November 28th e-mail about it to Professor Leib, herein cc'd.

After you have examined the lawsuit – whose evidentiary links include the [2004](#), [2006](#), and [2008](#) Reports of [NYU Law School's Brennan Center for Justice](#) – I would appreciate speaking with you directly, including for purposes of obtaining from you, or by your referral to others, including the Brennan Center, *amicus curiae* and counsel assistance for the lawsuit.

Thank you so very much.

Subject: Amici & Counsel Needed: Guarantee Clause of the U.S. Constitution -- & Federal Lawsuit vs The NYT & 33 Other Press Defendants Pursuant Thereto in Vindication of the First Amendment & Constitutional, Lawful Governance

TO: [Fordham Law School Professor Ethan Leib](#)

I am co-founder and director of the non-partisan, nonprofit citizens' organization [Center for Judicial Accountability, Inc. \(CJA\)](#).

A propos of your 2002 law review article "[Redeeming the Welshed Guarantee: A Scheme for Achieving Justiciability](#)", I am writing to alert you that embodying several of its observations is the federal lawsuit that CJA and I have brought on our own behalf and "*on behalf of the People of the State of New York & the Public Interest*", pursuant to the Guarantee Clause, against [The New York Times](#) and 33 other press defendants.

Above-attached and here-linked is the [October 29, 2025 amended verified complaint](#) whose first paragraph reads:

“Pursuant to Article 4, §4 of the United States Constitution, ‘The United States shall guarantee to every State in this Union a Republican Form of Government...’, and the First Amendment to the Constitution pertaining to the press, as explicated by federal caselaw...and the First Amendment’s guarantee of ‘the right of the people...to petition the Government for a redress of grievances’, and the further guarantees of the Fifth Amendment^{fn} and the Fourteenth Amendment, §1^{fn} to every ‘person’ of ‘due process of law’ and ‘the equal protection of laws’, plaintiffs seek declaratory relief and compensatory, presumed, and punitive damages against defendants for their *knowingly* false, ‘fake news’, corruption-abetting, election-rigging journalism, concealing and enabling the destruction of constitutional, lawful governance in New York State, culminating in corrupt candidates running on the 2025 election ballots – and, in particular, for New York City mayor, for New York City public advocate, for Manhattan borough president, for Manhattan district attorney, for Brooklyn district attorney, and to be district attorneys in approximately a dozen other counties throughout the state – and their election.” (underlining added).

In addition to furnishing the lawsuit to you for your scholarship, I would appreciate discussing it with you and exploring whether you would be interested in participating as an *amicus curiae* or as paid counsel to CJA, which, because I am a non-lawyer, I cannot represent. I believe the lawsuit to be a summary judgment case, as there is NO defense to it factually or legally. The SOLE issue is the magnitude of compensatory, presumed, and punitive damages – a jury determination that will reasonably be many tens of billions of dollars.

The district court’s irregular handling of the lawsuit, highlighted by my [November 19th letter to the district court judge](#), only reinforces this – as does my [drafted responding affidavit, for submission in January, disposing, at the outset, and before defendants are even served](#), of a subject matter jurisdiction defense of standing.

If you are unable to participate in the lawsuit, I would be grateful for your recommendations of other constitutional law scholars and attorneys – or, better yet, your forwarding this e-mail to them, directly, so that no time is wasted in putting together a crackerjack legal team for what is clearly monumental and fundamental to self-governance and “a Republican Form of Government”.

Thank you.
