Association of the Bar of the City of New York

Following up our telephone conversation a short while ago, this is to formalize my request for the membership roster of the City Bar's Communications & Media Law Committee. Such request comes on the heels of my discovery that David McCraw, counsel for The New York Times, is the Committee's chair -- information I learned only this past weekend as I perused the October 2005 issue of the City Bar's Forty-Fourth Street Notes and found his name among "New Committee Chairs".

This written request is necessary because you declined to provide me with my telephone request for the Committee's membership -- or to confirm whether Professor Diane Zimmerman is a member of the Committee, as likewise Martin London, Esq.

As discussed, I have been unable to obtain legal referrals for a lawsuit against The New York Times.

Your prompt attention would be greatly appreciated.

Thank you.
