RE: "And you may want to ask yourself this, as one CQ commentator did -- what else has the Times lied about?"

"Calame: Times Lied About Timing of NSA Article", August 12, 2006

Having encouraged your readers to contemplate this important question, may I suggest that you supply them -- and the referred-to CQ commentator -- with an answer?

The Times' lies -- including its knowing and deliberate election-rigging -- are the subject of a first-of-its kind public interest lawsuit against it for journalistic fraud. Attached are two press releases about this politically and journalistically explosive case -- thus far completely suppressed by the media. Both are also posted on the Center for Judicial Accountability's website, www.judgewatch.org, accessible via the sidebar panel "Suing The New York Times".

Feel free to call for further info -- including the lead on our forthcoming press release #3.
