RE: Meeting Academic Responsibilities by Scholarship Based on *Primary Source*  
Documentary Evidence & Disclosure of Conflicts of Interest

Enclosed is my letter of today's date to Professor Patterson – to which you are indicated recipients.

As professors at a preeminent academic institution, I trust you would agree that basic standards of professional and ethical responsibility mandate your response to the serious and substantial issues presented by my past correspondence and phone messages<sup>1</sup> on the subject of "Building Scholarship" – and a candid answer as to whether, as would seem obvious, your non-response is the product of conflicts of interest.

Thank you.

Enclosure

cc: Professor Thomas E. Patterson  
Floyd Abrams, Esq.

<sup>1</sup> My telephone messages for Director/Professor Jones (617-496-2582) were on July 7<sup>th</sup> and July 19<sup>th</sup>; my telephone messages for Professor Schauer (617-496-8855) were on June 15<sup>th</sup> and July 19<sup>th</sup>.
