Director Sassower,

I received your July memo directed to Dutchess County officials and I am curious as to whether there was any responses to it? Further, I presume that similar emails were sent to all other Counties (excluding NYC) and did any other county respond? If so, how many and were the responses positive or negative in regards to your general and specific premise?

I appreciate your candor and time.
Best regards,
Jim Coughlan
Dutchess County Comptroller

The attached July 8, 2016 letter pertains to this year's state-imposed district attorney salary increase for which Dutchess County is liable. It is for all Dutchess County legislators, executive officers, treasurer/comptroller – and Dutchess County Attorney James Fedorchak.

To assist Rockland County in taking protective steps, I am also directly sending this e-mail to Dutchess County District Attorney William Grady so as to reinforce his duty to promptly furnish Rockland's legislators, executive officers & the treasurer/comptroller with his findings of fact and conclusions of law with respect to the citizen-taxpayer action, *Center for Judicial Accountability, Inc. v. Cuomo, et al.* (Albany Co. #1788-2014). Does he deny or dispute its rock-solid evidentiary showing that the judicial salary increases, on which his own district attorney salary increases rest, are statutorily-violative, fraudulent -- & unconstitutional? How about our June 21, 2016 corruption complaint based thereon, filed with Albany County District Attorney Soares? Does he deny or dispute its sufficiency for founding criminal indictments for violations of the penal law – and convictions?

For the convenience of all, the direct link to CJA's webpage for the attached July 8, 2016 letter, from which all referred-to correspondence and substantiating evidence are accessible, is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/7-8-16-ltr-to-counties.htm> .

Feel free to call with any questions.

Thank you.
