RE: FOIL Records Request of February 06, 2024, Reference # R000055-020624

Dear Elena Sassower,

The NYS Office of Children and Family Services received a FOIL request from you on February 06, 2024. You requested:

"Social Services Law 371-b(5) requires that the New York State Citizen Review Panels each "prepare and make available to the public, on an annual basis, a report containing (a) a summary of the activities of the panel; and (b) the findings and recommendations of the panel".

The website of the NYS Citizen Review Panels for Child Protective Services posts annual reports from 2023 going back to 2014.

Pursuant to FOIL, I request all prior annual reports.

Thank you."

Due to the volume of FOIL requests received by the agency, we require additional time to process your request. At this time, please be advised that OCFS is still conducting a diligent search for records responsive to your request.

Office of Children and Family Services estimates it will complete your request and provide a response in writing by September 13, 2024. If you have any questions or require additional information, please do not hesitate to contact us.

Sincerely,

NYS Office of Children and Family Services
