RE: Freedom of Information Law (FOIL) Request Reference # G000718-100219

Dear Ms. Sassower:

This email is in response to the above-referenced FOIL request.

Please be advised that FOIL requires that we grant access to documents or records that are “kept, held, filed, produced or reproduced, by, with or for” the Office of the Attorney General (“OAG”). See Public Officers Law §§ 86(4) and 87(2). The OAG has no obligation to grant access to documents or records that do not exist or are not in the possession of the OAG. Nor does FOIL require the OAG to obtain documents from other agencies or to create documents or records to respond to a FOIL request.

The OAG maintains no records that respond to your request.

Accordingly, this FOIL request is now closed.

You may wish to contact the New York State Department of State.

Sincerely,

A handwritten signature in black ink, appearing to read "Abisola Fatade". The signature is stylized and cursive.

Abisola Fatade
Assistant Attorney General
