I agree with you 100% that we must target 2017 for a constitutional convention -- and, as director & co-founder of the nonpartisan, nonprofit Center for Judicial Accountability, Inc. (CJA), I have been doing just that. See our webpage "Building for a People's Constitutional Convention" on our website, www.judgewatch.org. It is accessible via the top panel "Latest News". I certainly would like to include a link to your website as part of our roster of citizen activists. But who are you? Do call.

Thanks.
