**Subject:** RE: Reasonable questions arising from your nonfeasance: June 24, 2020 public corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Wayne County state legislators...

Ms. Sassower: Good morning. I have received your requests relative to the above matter. I am sure you are aware of the chaos the pandemic has created. Wayne County, like many others are in the middle of reopening all of its Courts. At the present time there are approximately 2000 cases pending in our Justice Courts and about 100 felony cases that need to be indicted. I just do not have the staff or the time right now to devote to retrieving this type of information.

I would respectfully request that my response to this either be waived or that it be postponed to a later date. I do not see my office being current with all of these demands until after the first of the year.

Thank you for your attention and courtesy in this matter.
