Mark Davies, Executive Director
Temporary Commission on Local Government Ethics
235 Mamaroneck Avenue
Suite 400
White Plains, New York 10605

Dear Mr. Davies:

As discussed, enclosed is our recent correspondence with Governor Cuomo's office. Although you stated that the Temporary Commission does not handle matters involving the judiciary, perhaps the Ethics Commission is in a position to address the serious derelictions of the New York State Board of Elections in wholly refusing to exercise its mandate under the Election Law and protect the citizens of the Ninth Judicial District.

I would appreciate your thoughts as to how best to tackle this absolutely scandalous situation.

Yours for ethics in government,

ELENA RUTH SASSOWER
Coordinator, Ninth Judicial Committee
