Dear Ms. Sassower:

On behalf of the State Ethics Commission ("Commission"), I am responding to your telephone request for information. Specifically, you requested the following documents: (1) annual reports of the Commission from 1992 on; (2) the Commission's budget; and (3) legislative proposals of the Commission to amend Public Officers Law §94(17) to add to the list of Commission records available for public inspection.

Enclosed please find annual reports for calendar years 1992 and 1993, the most recent reports of the Commission. I have also enclosed a copy of the 1995-96 budget for the Commission. With regard to legislative proposals, all State agencies were directed by the Governor's Counsel's office to keep legislative proposals confidential until such time as they may be approved for introduction.

Very truly yours,
