As discussed. The below was sent to D.A. Candidate Daley right before I called you.

I am available to assist you in reporting this game-changing election story... which WILL clean up our corrupted state government.

Thank you.

**Subject: Winning your D.A. race vs UNFIT incumbent Herkimer County D. A. Carpenter**

**TO: District Attorney Candidate Mike Daley –**

Following up our phone conversation a short time ago, below is the e-mail I sent to Herkimer County District Attorney Carpenter expressly so that he could discharge his duty to the People of Herkimer County by furnishing its legislators, executive officers, treasurer/comptroller, as well as County Attorney Malone, with his findings of fact and conclusions of law with respect to the evidence that his district attorney salary increases rest on fraudulent, statutorily-violative and unconstitutional judicial salary increases. Where are his findings of fact and conclusions of law?

I am available to assist you, to the max. No public officer should be re-elected to public office, where – as here – he has so betrayed the public interest.

Thank you.

**Subject: Notice to Herkimer Co. Government: Your duty to repudiate & challenge the state-imposed D.A. salary increases based on your own D.A. Carpenter's findings of facts and conclusions of law**

**TO: Herkimer County Administrator James W. Wallace, Jr.**

Kindly supersede the July 8, 2016 letter I previously sent you with the attached materially revised, clarifying letter – and furnish to all Herkimer County legislators, executive officers & the treasurer/comptroller – and, additionally, to Herkimer County Attorney Robert Malone, who would not give me his e-mail address. Unless I hear from you to the contrary, I will assume you have done so.

To assist Herkimer County in taking protective steps, I am directly sending this e-mail to Herkimer County District Attorney Carpenter so as to reinforce his duty to promptly furnish you and Herkimer County's other public officers with his findings of fact and conclusions of law with respect to the citizen-taxpayer action, *Center for Judicial Accountability, Inc. v. Cuomo, et al.* (Albany Co. #1788-2014). Does he deny or dispute its rock-solid evidentiary showing that the judicial salary increases, on which his own district attorney salary increases rest, are statutorily-violative, fraudulent -- & unconstitutional? How about our June 21, 2016 corruption complaint, based thereon, filed with Albany County District Attorney Soares? Does he deny or dispute its sufficiency for founding criminal indictments for violations of the penal law – and convictions?

For the convenience of all, the direct link to CJA's webpage for the attached July 8, 2016 letter, from which all referred-to correspondence and substantiating evidence are accessible, is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/7-8-16-ltr-to-counties.htm> .

Feel free to call with any questions.

Thank you.
