Subject: Tip of the Iceberg -- Your article: "In state government the use of stipends (legally) is widespread" (5/19/17-Daily Gazette)

Dear Mr. Williams,

What you have reported is the "tip of the iceberg".

If you would like to take the lead in exposing the magnitude and illegality of the "lulu" scandal beyond anything that has been reported, including as relates to the Assembly – and to meaningfully explore such other aspects of your yesterday's article as "outside income" and the "full" versus "part-time" legislators, please call me, as soon as possible.

Thank you.
