**TO: Dan Schrack/WENY-NEWS Anchor/Reporter**

As I have not heard from you, in response to my below February 19<sup>th</sup> e-mail, I am resending it.

Have you watched the VIDEOS of my testimony before the legislators, identifying the hundreds of millions of dollars of fraud and larceny in the legislative/judiciary budget bill for fiscal year 2018-2019? Please advise.

Thank you.

RE: Your today's article "*Lawmakers Break, With NYS Budget To Come*":  
<http://www.weny.com/story/37537031/lawmakers-break-with-ny-state-budget-to-come>.

Where would your viewers start, if they had "to figure out how to eliminate a \$4.4 billion budget deficit"? Wouldn't it be by investigating and eliminating FRAUD from the budget? I testified before the legislators on January 30<sup>th</sup>, February 2<sup>nd</sup>, and February 5<sup>th</sup> about hundreds of millions of dollars of fraudulent appropriations and reappropriations in the Judiciary/Legislative budget bill – and furnished specifics, in substantiation.

Has the fraud and larceny about which I testified been investigated? And, if not, why not? This is a MAJOR CORRUPTION STORY – and it brings down not only incumbent legislators, seeking re-election this year, but Governor Cuomo, Attorney General Schneiderman, and Comptroller DiNapoli. All are defendants, sued for corruption and "grand larceny of the public fisc", in a citizen-taxpayer action pertaining to the state budget – whose origin are the fraudulent, statutorily-violative, and unconstitutional judicial increases that, since April 1, 2012, have stolen \$300 million dollars from taxpayers – with another \$70 million being stolen by the judiciary's proposed budget for fiscal year 2018-2019.

CJA's website, [www.judgwatch.org](http://www.judgwatch.org), posts the three VIDEOS with my testimony – and the corroborating EVIDENCE I handed up and to which I referred in testifying. The direct link to the menu page from which everything is accessible is here: <http://www.judgwatch.org/web-pages/searching-nys/2018-legislature/menu-2018-legislative-session.htm>.

I am available to assist you, to the max.
