To: Dr. Laura Schultz

I understand that you are a scholar of the NYS budget if so - + irrespective - are you aware of how flagrantly it is "off the constitutional rails" + unlawful in so many ways and are you aware of what has been going on with the judicial pay raises - and the district attorney pay raises ~~with~~ which they are linked to them? It is all laid out in the verified pleadings of the citizen - taxpayer ~~and~~ - whose record on appeal + appellant's brief I have left you.

There must be scholarship as to what has been going on - including the corrupting of the judicial process by the attorney general + the courts.

Can you help in developing such a scholarship? Can you share this with your fellow scholars - + who might they be? Thank you. Elena Passmore
