I have not received any follow-up from you to my below October 3<sup>rd</sup> e-mail – or to the phone message I left for you yesterday morning. Did you not want the LEAD about Bob Antonacci's Senate record, disqualifying him from the judicial office he seeks? What about the LEAD on Bill Fitzpatrick's record as chair of the Commission to Investigate Public Corruption, disqualifying him from re-election as Onondaga County district attorney?

To make it easy for you, I have been developing CJA's webpages of EVIDENCE pertaining to their official misconduct – and it is now accessible from a prominent center link "ELECTIONS – 2019" on CJA's homepage [www.judgewatch.org](http://www.judgewatch.org). Here it is, directly: <http://www.judgewatch.org/web-pages/elections/2019/menu.htm>.

As time is of the essence – especially with "early voting" – I am also sending this e-mail to your colleagues at Auburnpub.com – The Citizen – so that they can weigh in, as well.

Please advise, ASAP.

Thank you.

Thank you for allowing me to give you the "lay of the land" as to a MAJOR story that knocks out would-be Supreme Court Justice Antonacci – and EVERY other public officer who has been "sitting on" the *open-and-shut* EVIDENCE of corruption involving the commission-based pay raises and the budget, laid out by CJA's citizen-taxpayer action, *CJA v.*
