

I await your expeditious response. Meantime, this complaint and the complaints to your fellow 61 district attorneys will be disseminated to the complained-against state legislators, the candidates running to replace them, and the press. The soundbite, in three sentences, is, as follows:

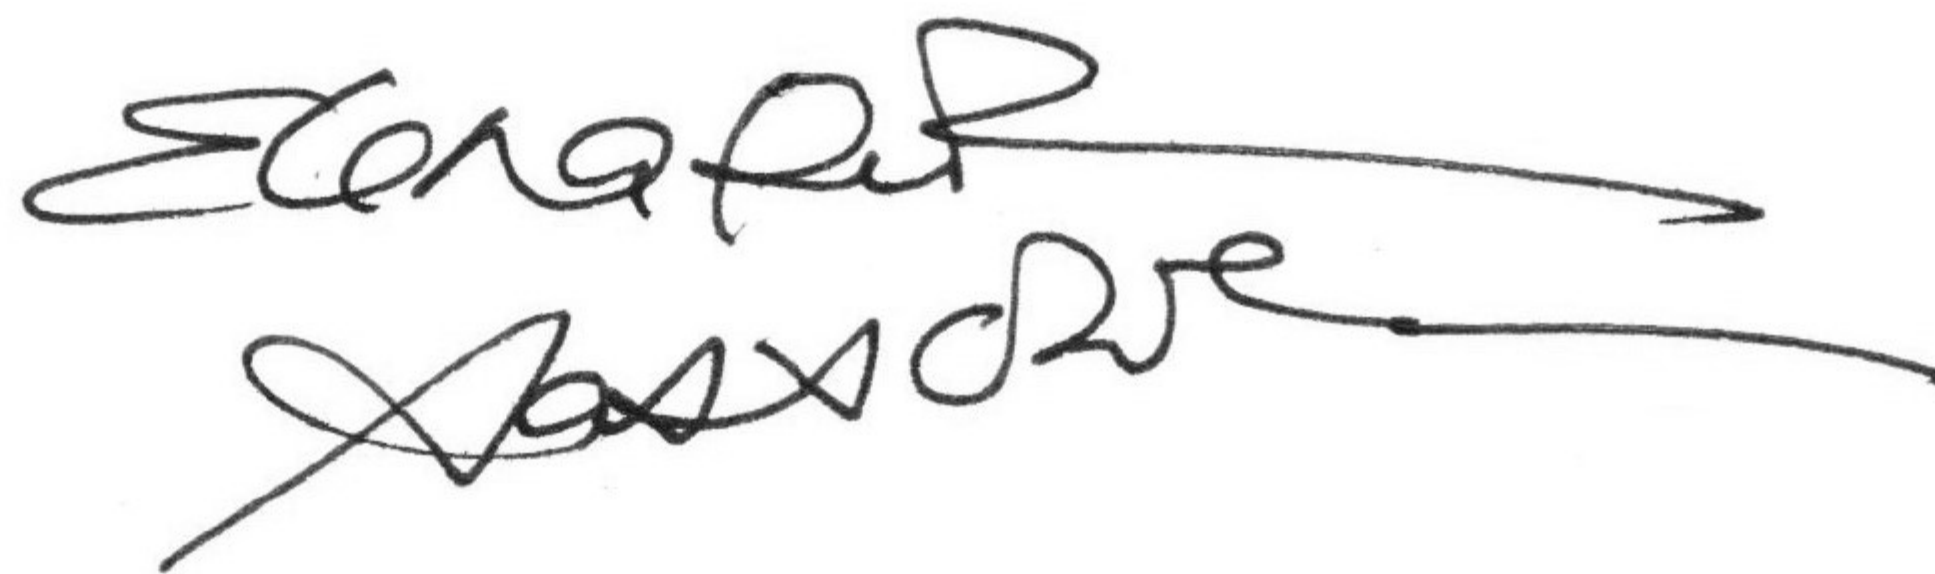

- (1) the legislators are NOT doing their jobs of oversight and law-making, resulting in a Legislature that is sham and NOT operating at a constitutional level;
- (2) the legislators are stealing our money by slush-fund budgets that are “OFF THE CONSTITUTIONAL RAILS”, rife with constitutional, statutory, and legislative rule violations;
- (3) the legislators have rewarded themselves with PAY RAISES FOR THEIR CRIMES, procured by a December 10, 2018 report they know to be a “false instrument” (Penal Law §175.35).

Grand juries – and voters – will have no difficulty in understanding this – and I have created a “Background Primer” to further assist. The direct link is here: <http://www.judgewatch.org/web-pages/searching-nys/district-attorneys/primer-for-grand-juries.htm>.

Finally, as required by the complaint form of District Attorney Soares’ Public Integrity Unit – and by your own electronic Public Integrity Unit complaint form: <https://www2.erie.gov/da/index.php?q=public-integrity-complaint-form> –

“I understand that any false statements made in this complaint are punishable as a Class A Misdemeanor under Section 175.30 and/or Section 210.45 of the Penal Law.”

Thank you.
