What salary is to be paid to Tompkins County's 2 re-elected & 2 newly-elected state legislators -- \$79,500 or \$110,000? And what about the \$200,000-plus salary of re-elected D.A. Van Houten, paid by Tompkins County taxpayers? Consistent with your admirable description of yourself on [your website](#): "a nonprofit digital news site with a mission to improve civic and political understanding in Ithaca and Tompkins County by publishing and sustaining in-depth, educational, rigorous, timely and ethical journalism", will you investigate the answers to these two straight-forward salary questions affecting the pocket-book of Tompkins County taxpayers and the integrity of their county and state government?

Such investigative journalism is EASY, as the [open-and-shut, prima facie EVIDENCE](#) proving the larceny and fraud that has taken place is furnished by the above-attached June 15, 2020 public corruption/grand jury complaint that now-re-elected Tompkins County D.A. Van Houten has been "sitting on" -- with the knowledge of Tompkins County's four state legislative incumbents -- who are the subjects of the complaint -- the candidates who ran to replace them, and such Tompkins County "local journalism" as [The Ithaca Journal](#), [Ithaca Times](#), and [Cornell Daily Sun](#) [see, [here](#), and [here](#), and [here](#), and [here](#), and [here](#), and [here](#)].

Below are my June 15th and July 28th e-mails to D.A. Van Houten transmitting the June 15th complaint to him, as well as the above-attached July 28th FOIL request concerning the functioning of his office with regard to **other** public corruption complaints. By contrast to the June 15th complaint, to which, **to date**, I have received NO response from D.A. Van Houten, I did receive a response to the July 28th FOIL request: an [August 5th e-mail](#) from Tompkins County's deputy FOIL officer -- to which D.A. Van Houten was cc'd -- that it has "no documents responsive".

Please let me hear from you, as soon as possible, about this explosive post-election story, whose non-partisan, good-government ramifications for Tompkins County and the rest of the state are obvious. For your further convenience, here's CJA's webpage for [Tompkins County](#) -- on which is posted my correspondence with Tompkins County going back to 2016. At that time, I also reached out to Tompkins County "local journalism" -- and my October 14, 2016 e-mail to [The Ithaca Voice](#), to which then D.A. candidate Van Houten was cc'd, is [here](#).

I am available to assist you and answer your questions, from early in the morning to late at night – and over the holiday.

Thank you.

Subject: Reasonable questions arising from your nonfeasance: June 15, 2020 public corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Tom-pkins County state legislators...

TO: Tom-pkins County District Attorney Matthew Van Houten

I have received no acknowledgment or other response to my June 15, 2020 public corruption/grand jury complaint against Tom-pkins County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against Tom-pkins County state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with Tom-pkins County Administrator & Records Access Officer Jason Molino – to which you are cc'd. It is attached.

Thank you.
