### TO: Newsday

As you know, Nassau County's 16 state legislators – 14 running for re-election, including Assembly Ways and Means Committee Ranking Member Edward Ra, Senate Committee on Local Government Chair James Gaughran, Assembly Elections Law Committee Chair Charles Lavine, Senator Todd Kaminsky, and Assemblyman Michael Montesano, all of whom are lawyers – are the subjects of a **fully-documented** public corruption/grand jury complaint, filed with Nassau County District Attorney Singas, who has been "sitting on" it. The complaint involves the "force of law" commission/committee scheme that gave all 17 of them pay raises – and a legislature not operating at a remotely constitutional level.

The June 10, 2020 complaint, by the Center for Judicial Accountability, Inc. (CJA), is above-attached – and below are the e-mails transmitting it and the above-attached July 27, 2020 FOIL request to D.A. Singas. CJA's substantiating evidentiary webpage for the complaint is here: <http://www.judgewidth.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As stated by the complaint, Nassau County voters are entitled to know that their state legislators cannot be re-elected because they must be indicted for larceny and other corruption on EVIDENCE so DISPOSITIVE as to assure their convictions. So, too, Assemblyman LiPetri, a lawyer, defeated in a congressional primary, and retiring Assemblyman D'Urso, whose *salary-based* pension will be a further larceny.

To facilitate your inquiries of the complained-against state legislators and D.A. Singas, I am cc'ing them on this e-mail. What, if anything, do they deny or dispute. Let them start where the complaint starts: my July 16, 2019 e-mail to then Assembly Codes Committee Ranking Member Ra and the Legislature's 14 other stipend-receiving leaders requesting that they forward the e-mail to the 198 other state legislators, with its attached July 15, 2019 written NOTICE and substantiating analysis establishing that the December 10, 2018 Report of the Committee on Legislative and Executive Compensation – raising their legislative salaries from \$79,500 to \$110,000 – is "a **fraud** on the People of the State of New York – and a **larceny** of their tax dollars', violating a succession of penal laws, and that their duty was to void it, to return the pay-raise monies they had already received, and to initiate criminal prosecutions of the

Committee's four members and abetting attorneys." The analysis is 46 pages, excluding exhibits. Will they furnish you with their findings of fact and conclusions of law? If not, I'm sure ordinary Nassau County citizens would be able to help you with what is obvious. Just accompany your story with links to the complaint and the evidentiary webpage so that they can see for themselves the open-and-shut, *prima facie* EVIDENCE that D.A. Singas has been withholding from a Nassau County grand jury to maintain her own fraudulently-boosted D.A. salary, paid by Nassau County taxpayers.

I am available to answer your questions and assist you, to the max -- on a story not only upending each and every one of Nassau County's 16 state legislative races, but, additionally, ALL New York's other state legislative races and its 15 D.A. races – and **that's for starters**.

Thank you.

**Subject: Reasonable questions arising from your nonfeasance: June 10, 2020 corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Nassau County state legislators...**

**TO: Nassau County District Attorney Madeline Singas**

I have received no acknowledgment or other response to my June 10, 2020 public corruption/grand jury complaint against Nassau County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>. Likewise, I have received none from your Public Corruption Bureau to whose chief, Assistant District Attorney Christine Malone, I also sent the complaint, following her call back, on June 11<sup>th</sup>, to a voice mail message I had left with the Bureau (516-571-2100).

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against Nassau County state legislators and their accomplices, this nonfeasance raises reasonable questions as to how you and your Public Corruption Bureau perform with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with your office. It is attached.

Thank you.
