To enable Queens voters to vote intelligently in the upcoming elections, what reporting are you providing of the 25 Queens state legislative seats on the ballot – beginning with the salaries to be paid to their winners? Is the salary \$110,000 – or \$79,500?

Will you ask that straight-forward salary question of Queens' 25 state legislators – 21 running for re-election – and Queens D.A. Melinda Katz, who is "sitting on" a public corruption/grand jury complaint against them, establishing that their \$110,000 legislative salary is the product of fraud and that the legislators have not been doing the job for which they have been paid – and, indeed, that the Legislature is not operating at a constitutional level.

The June 9, 2020 complaint, by the Center for Judicial Accountability, Inc. (CJA), is above-attached – and below are the e-mails transmitting it and the above-attached July 29, 2020 FOIL request to D.A. Katz. CJA's substantiating evidentiary webpage for the complaint is here. As stated by the complaint, Queens voters are entitled to know that their state legislators cannot be re-elected because they must be indicted for larceny and other corruption on EVIDENCE so DISPOSITIVE as to assure their convictions. So, too, those defeated in primaries and who will be pocketing *salary-based* pensions that are also larcenous.

To facilitate your asking Queens' 25 state legislators about the complaint, I sent it to them with notice that they should be prepared for press questioning. So, too, D.A. Katz. Let them start where the complaint starts: my July 16, 2019 e-mail to Deputy Senate Majority Leader Michael Gianaris and Assembly Speaker Pro Tempore Jeffrion Aubry requesting that they and the Legislature's 13 other stipend-receiving legislative leaders forward the e-mail to the 198 other state legislators, with its attached July 15, 2019 written NOTICE and substantiating analysis proving that the December 10, 2018 Report of the Committee on Legislative and Executive Compensation – raising their legislative salaries from \$79,500 to \$110,000 – is "a fraud on the People of the State of New York – and a larceny of their tax dollars', violating a succession of penal laws, and that their duty was to void it, to return the pay-raise monies they had already received, and to initiate criminal prosecutions of the Committee's four members and abetting attorneys." The analysis is 46 pages, excluding exhibits. Will Senator Gianaris (SD-12), Assemblyman Aubry (AD-35), and their 23 fellow Queens state

legislators furnish you with their findings of fact and conclusions of law? **Nine are lawyers** – Senator Gianaris, Senator Joseph Addabbo (SD-15), Assemblyman David Weprin (AD-24), Assemblyman Edward Braunstein (AD-26), Assemblyman Brian Barnwell (AD-30), Former Assemblywoman-Now Judge Michele Titus (AD-31), Assemblywoman Clyde Vanel (AD-33), Assemblywoman Avriella Simotas (AD-36), and Assemblywoman Catalina Cruz (AD-39). How about D.A. Katz? Will she furnish you with her findings of fact and conclusions of law? If not, I'm sure ordinary Queens citizens would be able to help you with what is obvious. Just accompany your story with links to the complaint and the evidentiary webpage so that they can see for themselves the open-and-shut, *prima facie* EVIDENCE that D.A. Katz has been withholding from a Queens grand jury.

I am available to answer your questions and assist you, to the max -- on a story not only upending each and every one of Queens' 25 state legislative races, but, additionally, ALL New York's other state legislative races and its 15 D.A. races – and **that's for starters**.

Thank you.

Subject: Reasonable questions arising from your nonfeasance: June 9, 2020 public corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Queens County state legislators...

TO: Queens County District Attorney Melinda Katz

I have received no acknowledgment or other response to my above-attached June 9, 2020 public corruption/grand jury complaint against Queens County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with your FOIL/records access officer – to which you are cc'd. It is attached.

Thank you.
