Subject: **Spectrum News' Oct 25th gubernatorial debate between Hochul & Zeldin – & the corruption-eradicating, election-upending lawsuit CJA v. JCOPE, et al (Albany Co. #904235-22)**

[TO: Spectrum News Political Anchor Susan Arbetter](#)

As you and [Spectrum News Political Anchor Errol Louis](#) are the moderators of [the ONLY debate between Governor Hochul and Would-Be Governor Zeldin, on October 25th](#), were you and he planning to ask these two lawyers about [CJA's lawsuit suing Governor Hochul for corruption involving the state budget, pay raises, and New York's ethics entities](#) – whose explosive electoral significance, upending the gubernatorial race and the races for attorney general, comptroller, and all 213 state legislative seats, is the subject of my below October 14th e-mail to you and your fellow members of the Legislative Correspondents Association.

Yesterday, you and Mr. Louis moderated a barely publicized debate between Comptroller DiNapoli and Would-Be Comptroller Rodriguez, [without any inquiry by either of you about the lawsuit nor reflecting its corruption-exposing content](#) and allowing Comptroller DiNapoli to open by purporting that he has “restore[d] integrity and credibility to the office...[and] for 15 years [has] had a steady hand in all the important responsibilities of the comptroller’s office...to hold all those accountable who are stealing public dollars”, without challenge from Candidate Rodriguez. This, despite the fact that Comptroller DiNapoli is not only a named respondent to the lawsuit and, like Governor Hochul, the subject of fully-documented conflict-of-interest/corruption complaints that are exhibits to the [June 6th verified petition](#), but my October 14th e-mail, with its cc to Candidate Rodriguez, stated:

“[Mr. Rodriguez] must be deemed unfit to be state comptroller, if he is unable to give his professional opinion as to whether the New York state budget complies with EXPLICIT constitutional, statutory, and rule requirements and to ‘whistle-blow’ concerning [Comptroller DiNapoli’s DIRECT, PARTICIPATORY ROLE in the December 10, 2018 report that gave statutorily-violative, fraudulent, and unconstitutional pay raises to legislators and statewide electeds, himself among them](#), that are the subject of CJA’s March 5, 2021 complaint to JCOPE – [Exhibit D-1 to the petition...](#)” (hyperlinks in the original).

Did you examine the [lawsuit](#) and the complaints based thereon and underlying it, including [Exhibit D-1](#), with its attached [June 4, 2020 grand jury/public corruption complaint to Albany County District Attorney Soares](#)? What did you conclude? How about your five [Spectrum News](#) colleagues, to whom, as members of the Legislative Correspondents Association, I also sent the October 14th e-mail: [Political Reporter Nick Reisman](#), [Albany Reporter Zack Fink](#), [Senior Political Producer Mary Francis Stoute](#), [Executive Producer Seamus Lyman](#) – and [Political Reporter Kate Lisa](#). I received no responses from you or them. I also received no response from [Spectrum News/NY-1 Political Reporter Bobby Cuza](#), to whom I sent [e-mails on October 17th and 18th](#), also alerting him to the lawsuit and furnishing him with the same above-attached fully-documented complaints based on the lawsuit as were attached to my October 14th e-mail, these being complaints against Attorney General James, also a lawsuit respondent. The second e-mail expressly requested that he forward my e-mail to his “editors and fellow Spectrum News/NY-1 political reporters”, which, in view of what my e-mail presented, I would imagine he did.

By copy of this e-mail to Mr. Louis, himself a lawyer, I ask for his response, upon his review of the above and below – most importantly whether, at the October 25th gubernatorial debate, he intends to ask lawyers Hochul and Zeldin for their “legal opinions as to the [CJA v. JCOPE, et al. verified petition and the record pertaining thereto](#)” – and whether, in the five days until then, he will be obtaining independent evaluation from New York’s bar associations, law school professors, and constitutional scholars – and pumping out some journalism about it. Or does Mr. Louis, who teaches at [CUNY’s Craig Newmark Graduate School of Journalism](#) and interviewed Mr. Newmark on September 22nd on his [Spectrum News/NY-1 show “You Decide”](#) about Mr. Newmark’s “fight[] to protect democracy” – believe the lawsuit and its posture are not electorally-significant and that voters should be kept ignorant about both – and about the failure of the gubernatorial, comptroller, and AG challengers to “blow the whistle”, when doing so is not only their duty, but would win them election, easily and without money. As previously, the three challengers are here cc’d.

As time is of the essence, I am also cc’ing [Spectrum News’](#) management with a request that someone call me to discuss the situation that has prevailed, for years and through prior election cycles with regard to the political/governmental reporting and election-debate moderating of [Spectrum News](#) journalists – especially as I received no responses, 6-1/2 months ago, when I sent them a [March 31st e-mail](#) entitled “ALERT: SUPERVISORY OVERSIGHT REQUIRED -- NYS BUDGET: Challenge to the constitutionality & lawfulness of the FY2022-23 NYS budget, the fraud of ‘ethics reform’ – & the 2022 elections”, to which you and Mr. Reisman were cc’s.

Finally, as I am unable to find e-mail addresses for [Spectrum News/NY-1’s Political Director Bob Hardt](#), or for [Morning Anchor Pat Kiernan](#), who, in the absence of any AG debate, did an [October 17th one-on-one interview with AG Candidate Henry](#), please forward this e-mail to them.

As always, I am available to answer questions – and to assist you to the max in enabling New York voters to exercise informed, rather than manipulated, votes.

Thank you.

Subject: Reporting & Endorsements for Governor, Attorney General, Comptroller, & State Legislators Based on the Record in CJA v. JCOPE, et al (Albany Co. #904235-22)

TO: [Albany Legislative Correspondents Association Roster](#)

More than three months ago, by the below July 4th e-mail entitled “...ALERT – TIME IS OF THE ESSENCE...”, thereupon reiterated by a [postscript](#), I alerted you to CJA’s “monumental corruption-eradicating lawsuit, requiring and requesting criminal referrals of Governor Hochul, Attorney General James, Comptroller DiNapoli, and New York’s 213 state legislators, most running for re-election or higher offices – all the subject of fully-documented complaints, filed with JCOPE, for which the lawsuit seeks enforcement.”

There was NO response from you – and your subsequent [minimal and superficial reporting about JCOPE’s successor – the Commission on Ethics and Lobbying in Government \(CELG\)](#) – has made no mention of the lawsuit or the corruption-rich facts giving rise to it.

What did you think would happen with the lawsuit seeking to VOID the budget legislation that had repealed JCOPE and replaced it with CELG? Was it not obvious to you – from examining the initiating [June 6, 2022 verified petition, with its hyperlinks and exhibits](#) – that CJA, expressly acting “on behalf of the People of the State of New York & the Public Interest”, was entitled to ALL the petition’s requested relief and that respondents Hochul, James, DiNapoli, & a huge swath of state legislators, starting with Temporary Senate President Stewart-Cousins and Assembly Speaker Heastie and including ALL state legislators in leadership positions, could not be re-elected, because they would have to be indicted – and would be convicted – for their public corruption?

It should not surprise you then that Attorney General James, representing herself and her fellow respondents, had NO legitimate defense to the petition and engaged in litigation fraud to try to get it thrown out. This is the subject of CJA’s fully-documented [September 15, 2022 motion](#) for sanctions against her and her fellow respondents that additionally seeks summary judgment on the petition’s ten causes of action – to which Attorney General James’ only response was more litigation fraud, so-chronicled by [CJA’s October 4, 2022 reply papers](#). Based thereon, CJA has filed fully-documented complaints against Attorney General James with the two ethics entities having ethics jurisdiction over her: (1) CELG; and (2) the Appellate Division, First Department Attorney Grievance Committee.

So that you can belatedly discharge journalistic responsibilities to report on this latest of CJA’s far-reaching, electorally-explosive lawsuits and CJA’s complaints against Attorney General James based thereon, the full lawsuit record is [here linked](#) and the complaints are above-attached.

As Republican Gubernatorial Candidate Lee Zeldin is, like Governor Hochul, an attorney, as is, of course, Republican Attorney General Candidate Michael Henry, I am cc’ing Candidates Zeldin and Henry on this e-mail so that they can demonstrate their fitness for the offices they seek by furnishing you with their legal opinions as to the [CJA v. JCOPE, et al. verified petition and the record pertaining thereto](#). For the same reason, I am cc’ing Republican Comptroller Candidate Paul Rodriguez. He must be deemed unfit to be state comptroller, if he is unable to give his professional opinion as to whether the New York state budget complies with EXPLICIT constitutional, statutory, and rule requirements and to “whistle-blow” concerning [Comptroller DiNapoli’s DIRECT, PARTICIPATORY ROLE in the December 10, 2018 report that gave statutorily-violative, fraudulent, and unconstitutional pay raises to legislators and statewide electeds, himself among them](#), that are the subject of CJA’s March 5, 2021 complaint to JCOPE – [Exhibit D-1 to the petition](#). The webpages for my prior contacts with these three Republican/Conservative candidates for New York’s top statewide offices – including earlier this week and pertaining to the [Times Union’s](#) reporting on JCOPE, CELG, and its upcoming electoral endorsements – are [here](#) and [here](#) and

[here](#) – and you should ask them what investigation they did with respect thereto, as I received no responses from them.

Verifying the facts – and law – is easy, as cases are “perfect paper trails”. Moreover, you can easily turn to the New York State Bar Association and New York City Bar Association to assist you. These two bar associations – New York’s most important – are already fully familiar with the [CJA v. JCOPE, et al. lawsuit record](#) and, in addition to furnishing you with unbiased expert evaluation of it, they can provide you with names of scholars of the New York State Constitution, of litigation rules and procedures, and of ethics, to whom you can also turn. My September 25th e-mails to them for their legal opinions and for scholarship are [here](#) and [here](#) – and you should ask them what action they took with respect thereto, as I received no responses from them.

I am available to assist you to the max – including for some “watchdog”/“enterprise” journalism as to how the so-called “independent review committee” of 15 law school deans confirming nominees to CELG has been operating, how CELG has been operating – and how the First Department Attorney Grievance Committee has been operating with respect to CJA’s fully-documented February 11, 2021 complaint against Attorney General James – [Exhibit D-2 to the petition](#). CJA’s webpages posting the primary-source, documentary EVIDENCE for such essential journalism are [here](#) and [here](#). When can I expect your calls?

Thank you.

Subject: July 4th ALERT-- TIME IS OF THE ESSENCE -- TRO/Preliminary Injunction: "ethics commission reform act of 2022" -- CJA, et al. v. JCOPE, at al. (Albany Co. #904235-22)

TO: ALBANY LEGISLATIVE CORRESPONDENTS ASSOCIATION ROSTER

This e-mail updates you as to what is happening in CJA's lawsuit against JCOPE, *et al* – about which I sent you four previous e-mails: on [June 10th](#), [June 15th](#), [June 16th](#), with a final [June 21st](#) e-mail ending with the subject line "...awaiting a judge".

The lawsuit is now before Ulster County Supreme Court Justice David Gandin by a [June 23rd notice of petition](#). The record, beginning with the [June 6th verified petition/complaint](#), is accessible *via* NYSCEF – and the direct link to the electronic docket is [here](#).

Below is my July 2nd e-mail to New York's 15 deans comprising the "independent review committee" of the new commission that is to replace JCOPE on July 8th and pertains to my above-attached June 12th letter to them, to which I have received no responses. The e-mail highlights the lawsuit's current status and reiterates their ethical, professional, and civic responsibilities with respect thereto – and to my June 12th letter. This is the same June 12th letter that I furnished you by my June 15th e-mail entitled "BEHIND-THE-SCENES: NY's 15 law school deans announce their vetting process for members of the JCOPE replacement – CJA's June 12th letter & the lawsuit".

How about getting the law school deans' responses to the June 12th letter and what has been unfolding in the lawsuit since? Also the responses of others to whom I thereafter sent the June 12th letter, all of whom have kept mum:

- (1) the supposed "good government groups" of the "JCOPE Must Go" Coalition, such as NYPIRG, Common Cause, Reinvent Albany, League of Women Voters, Citizens Union, the Sexual Harassment Working Group;
- (2) the New York City Bar Association, also a "JCOPE Must Go" Coalition member;
- (3) the "Committee to Reform the State Constitution", headed by former New York City Bar President Evan Davis, also a "JCOPE Must Go" Coalition member;

(4) Syracuse University's Maxwell School of Citizenship and Public Affairs of its Campbell Public Affairs Institute, also a "JCOPE Must Go" Coalition member; and

(5) the New York State Bar Association.

The webpage from which you can access my e-mails to them is [here](#), entitled: "**TIME IS OF THE ESSENCE**' -- SECURING THE PUBLIC'S 'MATTER OF LAW' ENTITLEMENT TO A TRO & PRELIMINARY INJUNCTION TO PREVENT THE 'ETHICS COMMISSION REFORM ACT OF 2022' FROM REPLACING JCOPE WITH SOMETHING WORSE".

I am available to assist you, to the max, in investigating and reporting on this monumental corruption-eradicating lawsuit, requiring and requesting criminal referrals of Governor Hochul, Attorney General James, Comptroller DiNapoli, and New York's 213 state legislators, most running for re-election or higher offices – all the subject of fully-documented complaints, filed with JCOPE, for which the lawsuit seek enforcement. It would be especially meaningful if you would contact me today, this 4th of July, "[Ancestor Appreciation Day](#)" – and I invite you to do so, even if it is only an e-mail that you will be phoning me tomorrow.

Thank you.

I have received no responses from you to my above-attached June 12th letter to you entitled: "Lawsuit to VOID the 'ethics commission reform act of 2022', TRO to stay the statute from taking effect on July 8th – & your ethical, professional, and civic responsibilities with respect thereto".

What are your answers? Here, as previously, is the [NYSCEF link to the docket of the lawsuit](#) so that you can see what has been happening.

Most recently, on June 30th, the lawsuit was assigned to Ulster County Supreme Court Justice David Gandin. Below – and pertaining to petitioners' [June 23rd notice of petition for a TRO/preliminary injunction](#) – is my July 1st e-mail exchange with Justice Gandin's principal law clerk, to which I cc'd the assistant attorney general who is representing ALL ten respondents, including respondent Attorney General James. In addition to the June 23rd notice of petition, Justice Gandin has before him petitioners' [June 28th amended notice of petition](#), submitted in response to the Attorney General's frivolous and fraudulent June 27th dismissal motion, so-demonstrated by my [June 28th opposing affidavit in further support of the June 23rd notice of petition](#).

As your 15 law schools ALL have law professors teaching (1) ethics and professional responsibility; (2) New York civil procedure; (3) federal civil procedure; and (4) constitutional law, including, presumably, the New York State Constitution, state governance, and the role and functioning of the state Attorney General, please IMMEDIATELY forward this e-mail to them for their opinions and scholarship – and furnish me with their names so that I can just as IMMEDIATELY consult with them on how best to protect “the People of the State of New York & the Public Interest” in this important case expressly brought for that purpose.

The specific question for which I am requesting guidance from them and you is: IF, by Wednesday, July 6th, Justice Gandin does not grant a TRO/preliminary injunction, as a matter of law, based on the “papers” before him, or schedule an evidentiary hearing for Thursday, July 7th, can I, on Thursday, seek an EMERGENCY TRO/preliminary injunction in federal court, based on Article IV, §4 of the U.S. Constitution “The United States shall guarantee every State in this Union a Republican Form of Government”? What other constitutional and statutory provisions should be cited? And would the lawsuit be required to be filed in the U.S. District Court for the Northern District of New York, as opposed to the U.S. District Court for the Southern District of New York?

I am sending this to you today – the weekend of our cherished 4th of July, as fireworks are exploding – because TIME IS OF THE ESSENCE and so that, by your actions, you can give meaningful commemoration of, and tribute to, our nation’s founding and founders.

As [my June 12th letter to you](#) cc’d the then Part 1 “duty judge”, Albany County Supreme Court Justice Peter Lynch, and also respondents, I believe it appropriate to here cc assigned Justice Gandin, the assistant attorney general representing the respondents, and the respondents. Likewise to cc the [New York Law Journal](#), also cc’d on my June 12th letter – and which, on June 13th, published a front-page, above-the-fold article about the lawsuit “[Citizens’ Group Seeks To Void Repeal And Replacement of NY Ethics Watchdog](#)” – devoid of ANY comment about it by ANY legal experts or other authorities – thereafter publishing, on June 17th, a front-page, above-the-fold article about you “[Committee Comprising 15 NY Law Deans Breaks Down Review Process for Ethics Panel](#)” – devoid of ANY reference to the lawsuit, let alone comment from you about it. There is no subsequent reporting by the [Law Journal](#) either about the lawsuit or about you.

The [Law Journal](#)’s June 17th article is largely based on [your June 15th press release](#), which, with [your website](#) posting it, I only discovered while writing this e-mail. In pertinent part, your press release states:

“The State’s Law Deans did not participate in the legislative negotiations that led to the statutory creation of the IRC. The IRC’s procedures were developed independently and exclusively by its members. After they were drafted, the IRC advised counsel to the nominating elected officials, as well as good government groups, on what the procedures require.”

While I commend you on your independently-developed procedures whose seven-day public comment period you presumably included so as to prevent yourselves from being completely used as “window dressing” – as the “ethics commission reform act of 2022”, *as written*, potentially enabled – your salutary procedures can easily be transposed to a statute that is constitutionally and lawfully enacted, which the “ethics commission reform act of 2022” is not. Or are you maintaining that it is – and, if so, where are your findings of fact and conclusions of law with respect to the [verified petition](#)’s sixth cause

of action: “Declaring Unconstitutional, Unlawful, and Void Part QQ of Education, Labor, Housing, and Family Assistance Budget Bill #S.8006-C/A.9006-C – the ‘ethics commission reform act of 2022’ – Enacted in Violation of Mandatory Provisions of the New York State Constitution, Statutes, Legislative Rules, and Caselaw” (¶¶78-85).

As for the “good government groups” to whom you furnished your procedures, in draft, these presumably are the groups comprising the “JCOPE Must Go” Coalition whose lawyers include “Evan Davis, former counsel to Gov. Mario Cuomo, and manager of the Committee to Reform the State Constitution; Edward Murray, who chairs the New York City Bar Association (sic); and Susan Learner, executive director of Common Cause/New York State” – so identified by the Law Journal’s June 13th article. Did they tell you about my [June 9th e-mail](#) apprising them of the lawsuit and asking if they would forward it to you for your evaluation.

So that the “JCOPE Must Go” Coalition, starting with its lawyers and, especially, the New York City Bar Association, can discharge some ethical and professional responsibility and civic duty and – like yourselves – come forward with findings of fact and conclusions of law as to the [verified petition](#)’s sixth cause of action as to the unconstitutionality and unlawfulness of the enactment of the “ethics commission reform act of 2022”, I will separately forward this e-mail to them and, additionally, to the New York State Bar Association, to which, presumably, you are all members, your faculty are all members or virtually so, and which doubtlessly you encourage your law students to join.

It is on the sixth cause of action that petitioners’ open-and-shut, *matter of law* entitlement to a TRO/preliminary injunction rests and it specifies (at ¶82) the “starting point” for the declaration of unconstitutionality to be my March 18, 2020 letter to then Governor Cuomo. This is the same letter as the last paragraph of my June 12th letter to you refers in stating:

“Lastly, as I am unaware of ANY scholarship on the [Court of Appeals’ 2004 plurality, concurring, and dissenting opinions in Pataki v. Assembly/Silver v. Pataki, 4 NY3d 75](#), pertaining to the state budget, as to which I did my own analysis, set forth by my March 18, 2020 letter to then Governor Cuomo, *cc’ing, inter alia*, Division of the Budget Director Mujica, Temporary Senate President Stewart-Cousins, and Assembly Speaker Heastie – the same letter as is [Exhibit A-5 to the petition/complaint](#) because, as identified at the petition’s ¶82, it is ‘the starting point for the declaration that Part QQ was unconstitutionally enacted’— please furnish me with the names of your faculty who are scholars of Article VII of the New York State Constitution pertaining to the state budget and necessarily familiar with *Pataki v. Assembly/Silver v. Pataki*, so that I may call them as ‘expert witnesses’ on the hearing on the preliminary injunction to which [CPLR §6313\(a\)](#) entitles me ‘at the earliest possible time’ upon the granting of the TRO, to which I am entitled, *as a matter of law*, based on the mountain of flagrant constitutional, statutory, and legislative rule violations pertaining to the budget that the petition specifies (¶¶81-82, 87-89).” (capitalization, italics, hyperlinking in the original, cited paragraph numbers corrected).

As for the particulars pertaining to the FY2022-23 budget – as opposed to the particulars of the FY2020-21 budget, recited by my March 18, 2020 letter – and, specifically, the FY2022-23 budget enactment of the “ethics commission reform act of 2022”, here’s petitioners’ [CPLR §2014\(c\) notice to respondents of papers to be furnished to the Court](#), referred-to by my below e-mail to Justice Gandin’s law clerk.

Please let me hear from you by noon, Tuesday, July 5th.

Thank you.

Subject: TRO/Preliminary Injunction -- RE: Center for Judicial Accountability, Inc., et al. v. NYS Joint Commission on Public Ethics at al. (904235-22)

Dear Law Clerk Collado,

Thank you for your response, disappointing as it is. Fortunately, I believe the verified petition, its exhibits, and my sworn affidavits in support of petitioners' notice of petition & orders to show cause to be more than sufficient for the granting of the TRO/preliminary injunction sought – and *as a matter of law*. Should the Court decide that it will entertain not just argument, but petitioners' requested EVIDENTIARY hearing (¶12 of my 6/28/22 affidavit) – substantiated by their CPLR §2214(c) notice – it will only confirm as much.

Meantime, I have packed up a hard copy of petitioners' papers to send to the Court, as required -- and will be leaving shortly for the post office.

May your 4th of July observances be meaningful.

Thank you.

Good Afternoon Ms. Sassower,

Thank you for your patience, this message is in response to your phone call to chambers from this morning. This matter was recently assigned to Judge Gandin and we have been reviewing the parties' moving papers. At this time, the Court will NOT hear oral arguments. Any pending applications for temporary injunctive relief, petitions and motions before the Court will be decided on papers only as soon as possible.
