"Relentlessly uncovering corruption"

Have you examined, at all, the New York Legislature's OWN budget – the necessity of which I alerted you to three weeks ago, by the below, with a request that you pass it on to other journalists, if you were not covering the New York scene.

Above-attached is my February 15<sup>th</sup> written testimony exclusively about the [Legislature's budget](#) and Governor Hochul's expansion of it in [Legislative/Judiciary Appropriation Bill #S.4001/A.3001](#), with 38 questions to be asked of Temporary Senate President Stewart-Cousins and Assembly Speaker Heastie

This written testimony, timely-submitted for the Legislature's February 15<sup>th</sup> budget hearing on "local government officials/general government", was NOT posted on the Senate and Assembly webpages for the hearing, [here](#) and [here](#), until AFTER [my February 22<sup>nd</sup> e-mail to Senate Finance Committee Chair Krueger and Assembly Ways and Means Committee Chair Weinstein](#) about its non-posting. However, I have yet to receive ANY response to the e-mail's inquiry as to whether the testimony was distributed to ALL Senate and Assembly members for their review – and to which staff.

I am available to answer your questions – and to give you the lead on further developments in this important story, to be embodied in a third press release following Governor Hochul's 30-day amendments, due this Friday, March 3<sup>rd</sup>. Otherwise, please pass it on to journalists who will investigate and report.

Thank you.

“Relentlessly uncovering corruption”

If you are not covering the New York scene, please pass this on.

Shouldn't the press be inquiring about [the Legislature's structuring of its budget hearings, by "programmatic area\[s\]", not bills](#) – concealing [violations of Article VII, §§2, 3, and 4 of the New York State Constitution](#)?

Above-attached is my already-submitted written testimony addressed to that subject, at the outset. CJA's EVIDENTIARY webpage posting it is [here](#).

I am available to answer questions – and to provide important scoops on the [Legislature's own budget](#), expanded in [Legislative/Judiciary budget bill #S.4001/A.3001](#). How about asking Temporary Senate President Stewart-Cousins and Assembly Speaker Heastie why they are NOT testifying on behalf of their budget and the legislative portion of the combined Legislative/Judiciary budget bill at any legislative budget hearing? Or are they?
