Subject: **The Legislature's OWN Budget & 38 Questions for Stewart-Cousins & Heastie about it & about Gov Hochul's Legislative/Judiciary Appropriation Bill #S.4001/A.3001 expanding it**

Have you examined, at all, the Legislature's OWN budget – the necessity of which I alerted you to three weeks ago, by the below.

To assist you in providing such vital information to New York taxpayers about the purported "\$273,921,877" legislative budget for FY2023-24 that they will be paying for and as to which there has been NO legislative budget hearing, above-attached is my February 15th written testimony exclusively on that subject, setting forth 38 questions to be asked of Temporary Senate President Stewart-Cousins and Assembly Speaker Heastie about the [Legislature's OWN budget](#) and Governor Hochul's expansion of it in [Legislative/Judiciary Appropriation Bill #S.4001/A.3001](#).

This written testimony, timely-submitted for the Legislature's February 15th budget hearing on "local government officials/general government", was NOT posted on the Senate and Assembly webpages for the hearing, [here](#) and [here](#), until AFTER [my February 22nd e-mail to Senate Finance Committee Chair Krueger and Assembly Ways and Means Committee Chair Weinstein](#) about its non-posting. However, I have yet to receive ANY response to the e-mail's inquiry as to whether the testimony was distributed to ALL Senate and Assembly members for their review – and to which staff.

I am available to answer your questions – and to give you the lead on further developments in this important story, to be embodied in a third press release following Governor Hochul's 30-day amendments, due this Friday, March 3rd.

Thank you.

Subject: Prepping for the Legislature's Budget Hearings -- & "Blowing the Whistle" on the Legislature's OWN budget

TO: [SYRACUSE.COM \(SYRACUSE POST-STANDARD\)](#)

Shouldn't the [Syracuse Post-Standard](#) be inquiring about [the Legislature's structuring of its budget hearings, by "programmatic area\[s\]", not bills](#) – concealing [violations of Article VII, §§2, 3, and 4 of the New York State Constitution](#)?

Above-attached is my already-submitted written testimony addressed to that subject, at the outset. CJA's EVIDENTIARY webpage posting it is [here](#).

I am available to answer questions – and to provide important scoops on the [Legislature's own budget](#), expanded in [Legislative/Judiciary budget bill #S.4001/A.3001](#). How about asking Temporary Senate President Stewart-Cousins and Assembly Speaker Heastie why they are NOT testifying on behalf of their budget and the legislative portion of the combined Legislative/Judiciary budget bill at any legislative budget hearing? Or are they?
