Shouldn't the press be inquiring about [the Legislature's structuring of its budget hearings, by "programmatic area\[s\]", not bills – concealing violations of Article VII, §§2, 3, and 4 of the New York State Constitution?](#)

Above-attached is my already-submitted written testimony addressed to that subject, at the outset. CJA's EVIDENTIARY webpage posting it is [here](#).

I am available to answer questions – and to provide important scoops on the [Legislature's own budget](#), expanded in [Legislative/Judiciary budget bill #S.4001/A.3001](#). How about asking Temporary Senate President Stewart-Cousins and Assembly Speaker Heastie why they are NOT testifying on behalf of their budget and the legislative portion of the combined Legislative/Judiciary budget bill at any legislative budget hearing? Or are they?
