The below e-mail bounced back as to all recipients except for CUNY Senior Vice Chancellor for Legal Affairs & General Counsel Derek Davis – because, apparently, the block that you placed on e-mails sent from elena@judgewatch.org has STILL not been removed, despite my repeated requests since November 2022. Again, REMOVE IT.

Thank you.

I have received no responses from you to my [March 16th e-mail](#) entitled "The NYS Budget -- & the 2026 Elections for ALL 213 Legislative Seats, & for Gov, Lt. Gov, AG, Comptroller, D.A.s & Judges". Is there anything that didn't check out 100%? Do you dispute that the evidence it furnished is open-and-shut, *prima facie*, mandating that such top re-election-seeking incumbents as Governor Hochul, Temporary Senate President Stewart-Cousins, Assembly Speaker Heastie, Attorney General James, and Comptroller DiNapoli be indicted for public corruption and larceny – and that they will be convicted?

To assist you in enabling your J-School students to discharge First Amendment responsibilities to report on how this year, as in past years, NYS' highest public officers have been flagrantly violating mandatory constitutional, statutory, and legislative rule safeguards to steal massive amounts of taxpayer monies and enact, by fraud and zero legislative due process, non-revenue-producing, non-fiscal policies – for which an independent special prosecutor must be appointed – above-attached is CJA's April 14th grand jury/public corruption complaint to NYS' 62 D.A.s and their organizational entity, the District Attorneys Association of the State of New York (DAASNY), to which the New York State Commission on Prosecutorial Conduct is cc'd. My April 14th e-mail transmitting the grand jury/public corruption complaint to the Legislative Correspondents Association's roster of reporters, on whose journalism you and your students presumably rely, is below.

As stated by my March 16th e-mail:

"If it is not your intention to report this – essential not only to the integrity of the budget, but to the 2026 elections for all 213 legislative seats, and for governor, lieutenant governor, AG, comptroller, D.A.s, and judges – please furnish the reason. I note that NYCity News Service's "[Topic: Politics](#)" posts nothing since December 13, 2023, its "[Special Report: The Newest New Yorkers. How life in the city is unfolding for migrants](#)".

I am available to answer questions and to assist you to the max. Feel free to call me, no matter how early or late. TIME IS OF THE ESSENCE, both with respect to the budget and the elections." (hyperlinking & capitalization in the original)."

Thank you.

Highest Public Officers, Filed with NYS' 62 D.A.s, DAASNY -- & NYS Commission on Prosecutorial Conduct

TO: [Legislative Correspondents Association Roster](#) & [here](#)

Following up my [January 29th e-mail](#), [March 13th e-mail](#), and [April 7th e-mail](#) to you pertaining to the FY2026-27 state budget and this year's electoral races, which you have ignored, *in toto*, in reporting on the state budget as if there is nothing unconstitutional, unlawful, fraudulent, and larcenous about it, and in reporting on the races for governor, attorney general, comptroller, and state legislative seats, as if the incumbents running for re-election can be re-elected, when the evidence furnished you establishes, open-and-shut, that all incumbents must be indicted for corruption pertaining to the budget – and will be convicted – below, with the above-attached, is my today's e-mail to New York's 62 district attorneys and their institutional entity, the District Attorneys Association of the State of New York, to which the New York State Commission on Prosecutorial Conduct is cc'd.

If it is your intention to continue to conceal and affirmatively misrepresent the situation by your journalism, please, as previously requested, immediately forward this e-mail to the highest editors and managerial levels of your respective publications, including counsel, so that there is no question of their knowledge of, and liability for, your corruption-abetting, election-rigging, journalistic fraud, having no First Amendment protection.

I am available to answer questions. Don't you have any?

Thank you.
