[Tom Knighton | Substack](#) – “Tilting at Windmills”

Dear Mr. Knighton -- The battle for fact-based, truthful journalism is being fought by a major federal lawsuit against The New York Times & 33 other press defendants, seeking judicial recognition of causes of action for “journalistic fraud” and “institutional reckless disregard for truth – proposed by scholars as viable under the First Amendment more than 20 years ago and then buried by them and other scholars, with resulting and accelerating democracy-destroying consequences. Kindly furnish me with your e-mail so that I can send it to you. Thank you. Elena Sassower, Director/Center for Judicial Accountability, Inc., www.judgewatch.org; 914-421-1200; elena@judgewatch.org.
