Dear Mr. Haworth -- Thank you for your superlative column "You can't condemn terrorism and then host a terrorism supporter for dinner" in today's Washington Examiner. Mamdani's win as NYC mayor was rigged by The New York Times & other press – and this is the subject of a major federal lawsuit brought "on behalf of the People of the State of New York & the Public Interest" by the nonpartisan, nonprofit citizens' organization Center for Judicial Accountability, Inc., of which I am director & co-founder. Kindly furnish me with your e-mail address so that I can send it to you. Thank you. Elena Sassower, elena@judgewatch.org, 914-421-1200.
