**Subject:** **SCOOP, UNREPORTED BY THE PRESS: Zohran Mamdani's electoral win as NYC mayor was rigged by The NYT & other press -- & is the subject of a major federal lawsuit.**

**TO:** [THE WASHINGTON FREE BEACON](#)

A *propos* of [The Washington Free Beacon's many articles about Zohran Mamdani](#), here's a scoop, completely unreported by the press: Mamdani's electoral win as NYC mayor was rigged by [The New York Times](#) & other press and is the subject of a major federal lawsuit against them, brought "*on behalf of the People of the State of New York & the Public Interest*" by the nonpartisan, nonprofit citizens' organization [Center for Judicial Accountability, Inc. \(CJA\)](#), of which I am director and co-founder.

The above-attached and here-linked [October 29, 2025 verified amended complaint](#) furnishes the particulars – and is hyperlinked to the open-and-shut, *prima facie* evidence establishing that the [NYT](#) and 34 other representative press defendants knew, but concealed, *in toto*, that Mamdani could not be elected NYC mayor, because he had to be indicted, and would be convicted, of corruption as a NYS assemblyman, involving the state budget, his *own* legislative salary, and NY's oversight/"public protection" entities. This includes my [March 14, 2025 e-mail to Mamdani](#) entitled "ELECTIONS ARE A TIME OF ACCOUNTABILITY...", then supplemented by my [March 17<sup>th</sup> e-mail to him](#), both of which I furnished to Mamdani again when I cc'd him on my [March 18<sup>th</sup>](#) and [March 20<sup>th</sup>](#) e-mails to the press. He responded to none of them. Nor did the press – and among my other e-mails to the [NYT](#) are my [July 11<sup>th</sup> e-mail](#), my [July 13<sup>th</sup> e-mail](#), my [August 9<sup>th</sup> e-mail](#), and my [September 18<sup>th</sup> e-mail](#).

Lawyers and legal scholars on whom you rely for expert opinion should be able to confirm for you what will be obvious from your examination of the verified amended complaint, namely, that there is NO defense to it, factually or legally – and that the SOLE issue will be the magnitude of compensatory, presumed, and punitive damages, a jury determination that will reasonably be many billions of dollars. The district court's unprecedented handling of the case – as reflected by my [December 19<sup>th</sup> affidavit](#) and [February 23<sup>rd</sup> letter to the judge](#) and his [March 2<sup>nd</sup> so-ordered annotation](#) – reinforces this.

Will you report on the lawsuit – or forward this e-mail to journalists who will?

I am available to answer questions and would welcome the opportunity to do so.

Thank you.
