I appreciate your e-mail & personal message. Will sign up, in the hope that yours really will be the kind of honest, accountability journalism that does NOT exist. I have much to contribute – and look forward to doing so.

Thank you, again.

Hi Elena,

If you want to check out our options before a long-term subscription, perhaps opt for a monthly subscription for a month or two, to get a feel for our accountability journalism? We really need subscriber support to keep going, which is why we offer exclusive benefits like live chats to paying subscribers.

Best,

Joel

I am happy to become a paid subscriber, but I would to take advantage of the free trial subscription to check out whether the promise of “accountability” is real or sham. I have a mountain of primary-source, documentary EVIDENCE to offer Daily Poster & David Sirota about the posturers who are presenting themselves as honest, clean-government champions.

Thank you.
