RE: The electorally-explosive ramifications of my public interest lawsuit against the NYS Commission on Judicial Conduct

Dear Larry:

Following up our phone conversation yesterday, I still believe it would be most efficient if you would meet with me for an hour or two to review the three categories of evidence of the corruption of the NYS Commission on Judicial Conduct, encompassed by the file of my public interest lawsuit, which Russ Hoyle has assigned you to review.

This is a story with sweeping political ramifications – and coverage is essential, sooner, rather than later, in the six weeks that remain before the elections.

So that you can better appreciate the political ramifications as they relate to Attorney General Spitzer, enclosed is a copy of my letter to Daily News' Albany correspondent, Joe Mahoney, presenting the story proposal I am now beginning to circulate to the media.

Let me know.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
