RE: The media-unreported stories about the House Judiciary Committee's handling of HUNDREDS of impeachment complaints against federal judges -- and CJA's November 6, 1998 impeachment complaint against Chief Justice Rehnquist

Dear Ms. Moore:

Following up our phone conversation this morning, kindly pass on the enclosed two press releases to Mr. Hume -- and his producers at FOX NEWS, etc.

These two press releases present stories about the *official* misconduct of the House Judiciary Committee and Chief Justice Rehnquist, with the potential to blow apart the Senate impeachment trial.

Should there be any doubt as to their explosive significance, we would be pleased to transmit the substantiating documentation: our FIVE-YEAR correspondence with the House Judiciary Committee concerning its handling of citizen-filed impeachment complaints against federal judges and November 6, 1998 impeachment complaint against the Chief Justice.

Thank you very much for your assistance.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
