MESSAGE:

The case of Castracan v. Colavita, now pending before the Court of Appeals and Appellate Division, demonstrates deliberate refusal of the New York State Board of Elections to take any action relative to violations of the Election Law.

Their disregard for the clear and unequivocal safeguards of the Election Law is now again manifest in their acceptance of the behind closed doors wheeling and dealing by party bosses and judicial nominees.

This public agency should be called to account. A story about what they are, what they are supposed to do--and what they actually do or don't do--would make an important contribution to public consciousness in this month before Election Day.

Their telephone number is 518-474-6220.

(p.s. For your information, I am faxing material that is before the Court of Appeals in the Castracan case.)
