Dear Brad:

Thanks for the return call. I look forward to updating you on important developments in the two months since we met -- all offering powerful opportunities for exposing the significance of the documentary PROOF of the corruption of the NYS Commission on Judicial Conduct, established by the case file evidence in your possession.

Meantime, attached is my letter to the Judiciary Committee leadership regarding the agenda of my March 17th meeting with Senate Judiciary Committee Chairman DeFrancisco, namely: the need for a legislative oversight hearing of the Commission on Judicial Conduct. It is in response to this letter that Senate Judiciary Committee's Ranking Member, Queens Senator Malcolm Smith, will be present at Monday's meeting.

Regards.
