Subject: holding people in power accountable: your dynamite story on the state budget

Dear Dave,

Neither Senator Tim Kennedy nor Assemblyman Ray Walters, members of the Senate Finance Committee and Assembly Ways & Means Committee, respectively, were present when I testified at the February 6th joint budget hearing on “public protection”, in opposition to the judicial pay raises & the Judiciary budget. Here’s what I sent them – and all the other legislators – on Friday, March 15th about the Judiciary budget, entitled “*Is the Judiciary Budget a ‘Slush Fund’?*”? <http://www.judgewatch.org/judicial-compensation/legislature/2013/3-15-13-alert-to-legislators-judiciary-slush-fund.pdf>

What is their answer?

Call me for further details -- and view my 10-minute February 6th testimony that Senator Kennedy and Assemblyman Walters missed – and that Assemblyman Kearns could also have attended. Here’s the direct link to our website where it’s posted: <http://www.judgewatch.org/web-pages/judicial-compensation/legislative-oversight-judicial-raises.htm>

Thanks.
