**RE: Impeachment complaint against Chief Justice William Rehnquist & the media-
unreported story about how the House Judiciary Committee handles the hundreds
of impeachment complaints it receives against federal judges**

Enclosed is the Center for Judicial Accountability's press release about two stories that will blow apart the Senate impeachment trial of the President -- or, at least, expose the hypocrisy and *official* misconduct of the House Judiciary prosecution team and of the presiding Chief Justice.

As discussed, please pass them on to Fox News, the Drudge Report, Hannity & Colmes, etc. Upon request, we will readily transmit the substantiating documentation.

Thank you very much.

Yours for a quality judiciary,

**ELENA RUTH SASSOWER, Coordinator
