Dear Elena Sassower,

Thank you for bringing the materials to our attention. I am not yet sure if, and how, we might make use of them. I have asked our senior editor Richard Lingeman to see if there is an item for our "In Fact" section of the magazine. I do think that in light of earlier coverage, it is difficult to do more with the information you've provided. You might be in touch with Richard at 209-5413 if you haven't heard from us within ten days. As a weekly magazine, it is very busy here and often difficult to look into this matters until the magazine closes.

Thank you for your care about these important issues,

Katrina vanden Heuvel
