Attention: Dorothy DeWitt, Law Clerk

RE: Sassower v. Mangano
94 Civ. 4514

Dear Ms. Dewitt:

This is to apprise you of my request for a Pre-Motion Conference pursuant to Judge Sprizzo's individual rules. The purpose is to present my Order to Show Cause for a Preliminary Injunction and a TRO, as heretofore authorized by the Court.

For the Court's information, I seek an immediate stay of enforcement of the judicial Defendants' June 14, 1991 "interim" order suspending my law license¹ and to enjoin all further adjudication by them of matters involving me on the ground of bias.

I request that the conference be set down for Thursday, August 31st--preferably at 3:00 p.m., to accomodate the Attorney-General, who has consented to such day by telephone conversation this afternoon.

Should August 31st at 3:00 p.m. be inconvenient for the Court, I would ask for as early as possible on Friday morning, September 1st.

Most Respectfully,

DORIS L. SASSOWER

DLS/er

cc: Asst. Attorney-General Amy Abramowitz

¹ The June 14, 1991 "interim" suspension order is annexed to my Complaint as Exhibit "A".
